Re: Water Main Repairs 300 block of Grant Avenue

The City Public Works Department, Utility Division, will be repairing a 12-inch water main in the 300 blk of Grant Avenue starting at 9:00 AM on Monday, September 8th.

The repairs should take 4 hours to complete. Businesses and residents in the area may experience reduced water pressure during the 4 hours till the repairs are completed. Businesses and residents should be prepared to make prior arrangements to help offset the reduced water pressure during the repairs.

Further questions please contact the City of Junction City, Department of Public Works at 238-7142.
